The Retreat

The Merly Impressions Retreat will be held in a large air-conditioned room in a quiet part of the Wyboston Lakes complex. Each delegate will have their own sizeable scrapping area which will be prepared before arrival on Friday.

There will be an adjacent area with comfortable seating and freely available tea and coffee. Optional technique classes taught by Emilie Chamel will be held in an adjacent room and there will be a well stocked Merly Impressions shop (selling all the latest products from Kaisercraft, Tim Holtz, WRMK and others) close by.

There will also be a large selection of tools available for delegates to use. They will include a Cricut machine (with a selection of cartridges), a Big Shot, a Grand Calibar, WRMK Sew Easy and Sew Stamper tools, a selection of Sizzix and Spellbinder dies, various punches and much more. And we'll be available to help if anyone needs any advice on how to use the tools.

Above all, we want our delegates to have a relaxing, fun and memorable weekend. We'll be creating some great scrapbook and beyond-the-page projects using the latest Kaisercraft products. As well as the projects included in the chosen option, each delegate will also receive a very special project designed especially for the Retreat. Delegates will also have the chance to purchase additional layout kits especially designed for the Retreat.

We'll also be spicing up the weekend with raffles, challenges and treats. We hope everyone will enjoy what should be a wonderful weekend.
